TURFMAX™

MAXIMUM PROTECTION. HEALTHIER SOIL. STRONGER TURF.

REFORMULATED. REBRANDED. READY FOR 2027.

BUILT FOR BETTER TURF. BUILT FOR YOU.

TurfMax products are in the final phases of **REFORMULATING AND REBRANDING** for the **2027 GOLF SEASON.** Our goal is simple: to deliver the same trusted protection with greater ease of use for the greenskeeper.

MONITOR

Mineral Based SPF with Pigment for Turf

Formerly known as TurfScreen, Monitor has been reformulated to lessen viscosity and help maintain mixture while continuing to adhere to the plant's surface and provide the same proven protection from the sun and other weather elements.

Greater protection. Easier to mix. Easier to use.

FORMERLY LABELED AS **TURFSCREEN®**

SENTINEL

Light Mineral Based SPF with Pigment for Turf

Formerly PureGreen, Sentinel will provide similar protections to Monitor on a lighter level—ideal for everyday conditions and maintaining beautiful, healthy turf.

FORMERLY LABELED AS **PUREGREEN®**

STEALTH SHIELD

Mineral Based SPF for Turf – Nonpigment

Formerly TNT/Clear Armor, Stealth Shield provides these same advanced protections without any pigments added. Ideal when a natural, no-color solution is preferred.

FORMERLY LABELED AS **CLEAR ARMOR®/ TNT**

TANGO GREEN

Dormant Turf Paint

Formerly Dormant, Tango Green continues to be the trusted choice for coloring dormant turf, delivering excellent coverage and a natural appearance that lasts.

FORMERLY LABELED AS **DORMANT**

AVAILABLE FOR SPRING 2027

All products will be available for early spring order and delivery.

PRICING STABLE

We do not anticipate a significant change in price—just greater ease of use.

MORE DETAILS COMING SOON

We will share pricing and packaging information as soon as our final testing is completed.

SAME TRUSTED PROTECTION

Every product continues to help protect your turf from the sun and other weather elements.

WE APOLOGIZE FOR ANY INCONVENIENCE DURING THIS TRANSITION.
We look forward to providing you with a better product that is easier to use and helps you achieve stronger, healthier turf throughout the **2027** golf season and beyond.

THANK YOU FOR YOUR SUPPORT AND PARTNERSHIP!
